DEVELOPMENT SUMMARY

Each Fiscal Year, the City calculates the Annual Special Taxes to be levied against Taxable Property within CFD No. 2002-A. The RMA defines two (2) categories of Taxable Property, "Unmodified Property" and "Modified Property".

Modified Property is distinguished from Unmodified Property by the issuance of a Building Permit to construct a Floor(s) on or before January 1 of the Fiscal Year preceding the Fiscal Year for which Special Taxes are being levied, but after December 4, 2001. For example, if an Assessor's Parcels in CFD No. 2002-A issued a Building Permit between December 4, 2001 through January 1, 2021 to construct additional Floor(s), it will be classified as Modified Property in Fiscal Year 2022/2023.

* The amount is a contribution in lieu of the Annual Special Tax for City Parcels.

The tax rates shown in Table 1 are the Maximum Annual Special Tax for each Assessor's Parcel in CFD No. 2002-A for Fiscal Year 2002-03. In the event that an Assessor's Parcel is split into two (2) or more Assessor's Parcels, the Maximum Annual Special Tax for each of the new Assessor's Parcels shall be its pro-rata share based on Square Footage. Conversely, if two (2) or more Assessor's Parcels are combined, the Maximum Annual Special Tax for the new Assessor's Parcel shall be the sum of the Maximum Annual Special Taxes for the combined Assessor's Parcels.

Each July 1, commencing July 1, 2003, the Maximum Annual Special Tax applicable to an Assessor's Parcel of Unmodified Property shall be increased by 2.00% of the amount in effect in the prior Fiscal Year.

2. Modified Property

The Maximum Annual Special Tax for each Assessor's Parcel of Modified Property in Fiscal Year 2002-03 shall be based on (i) the Maximum Annual Special Tax Rate shown in Table 1 and (ii) the additional Floor(s) added to the structure. The addition of a single floor up to and including the fifth (5) Floor of a structure, excluding Floors used exclusively for parking, will cause the Maximum Annual Special Tax from Table 1 to increase by the amount(s) shown in Table 2. Should there be an increase of two or more floors to an existing structure, the increase in the Maximum Annual Special Tax shall be based on the cumulative sum of the total applicable percentage figures in Table 2. The addition of Floors to a structure that causes the total number of Floors to exceed five (5) will not cause the Maximum Annual Special Tax to increase.

TABLE 2

**Adjustments to the Maximum Annual Special Tax
for Modified Property**

Original Configuration	New Configuration	Adjustments to the Maximum Annual Special Tax
One Floor	Two Floors	+ 25.000%
Two Floors	Three Floors	+ 5.000%
Three Floors	Four Floors	+ 0.122%
Four Floors	Five Floors	+ 0.031%

Each July 1, commencing July 1, 2003, the Maximum Annual Special Tax applicable to an Assessor's Parcel of Modified Property shall be increased by 2.00% of the amount in effect in the prior Fiscal Year.

**SECTION D
METHOD OF APPORTIONMENT OF THE ANNUAL SPECIAL TAX**

Commencing Fiscal Year 2002-03 and for each subsequent Fiscal Year, Annual Special Taxes shall be levied on each Assessor's Parcel of Unmodified Property and Modified Property in the following steps to satisfy the Annual Special Tax Requirement:

First: The Annual Special Taxes shall be levied Proportionately on each Assessor's Parcel of Modified Property and Unmodified Property up to 91% of the Maximum Annual Special Tax rates listed in Table 1.

Second: If additional Special Tax revenues are required to satisfy the Annual Special Tax Requirement after the first step, the Annual Special Taxes shall be levied Proportionately on each Assessor's Parcel of Modified Property and Unmodified Property up to the Maximum Annual Special Tax rates listed in Table 1.

SECTION E
PREPAYMENT OF ANNUAL SPECIAL TAX

The Annual Special Tax obligation of an Assessor's Parcel of Unmodified Property or an Assessor's Parcel of Modified Property may be prepaid in full, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Annual Special Tax obligation would be prepaid. The Prepayment Amount for an Assessor's Parcel eligible for prepayment shall be determined as described below.

1. Prior to Issuance of Bonds

Prior to the issuance of Bonds, the Gross Prepayment Amount for an Assessor's Parcel shall be determined by (i) dividing the Maximum Annual Special Tax of the Assessor's Parcel in Fiscal Year 2002-03 by the total of Maximum Annual Special Taxes for all Assessor's Parcels in Fiscal Year 2002-03 and (ii) multiplying the ratio by the Improvement Costs. This is shown in the following formula:

$$(MT / TMT) \times IC$$

These terms have the following meanings:

MT = Maximum Annual Special Tax for the Assessor's Parcel in Fiscal Year 2002-03
TMT = Total Maximum Annual Special Taxes in Fiscal Year 2002-03
IC = Improvement Costs

2. Subsequent to Issuance of Bonds

Subsequent to the issuance of Bonds, the Prepayment Amount for an Assessor's Parcel shall be calculated according to the following formula (capitalized terms defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Defeasance
plus	Administrative Fee
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the date of prepayment, the Prepayment Amount shall be calculated as follows:

1. Divide the Maximum Annual Special Tax for the Assessor's Parcel by the sum of the Maximum Annual Special Taxes applicable to all Assessor's Parcels, as reasonably determined by the City.
2. Multiply the quotient computed pursuant to step 1 by the face value of all outstanding Bonds. This amount equates to the "Bond Redemption Amount" for the Assessor's Parcel.
3. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the outstanding Bonds to be redeemed with the proceeds of the Bond Redemption Amount. This product is the "Redemption Premium."
4. Compute the amount needed to pay interest on the Bond Redemption Amount, the Redemption Premium, and the Reserve Fund Credit to be redeemed with the proceeds of the Prepayment Amount until the earliest call date for the outstanding Bonds.
5. Estimate the amount of interest earnings to be derived from the reinvestment of the Bond Redemption Amount plus the Redemption Premium until the earliest call date for the outstanding Bonds.
6. Subtract the amount computed pursuant to step 5 from the amount computed pursuant to step 4. This difference is the "Defeasance."
7. Estimate the administrative fees and expenses associated with the prepayment, including the costs of computation of the Prepayment Amount, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption. This amount is the "Administrative Fee."
8. Calculate the "Reserve Fund Credit" as the lesser of: (a) the expected reduction in the applicable reserve requirements, if any, associated with the redemption of outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirements in effect after the redemption of outstanding Bonds as a result of the prepayment from the balance in the applicable reserve funds on the prepayment date. Notwithstanding the foregoing, if a surety bond or other instrument satisfies the reserve fund requirement at the time of the prepayment, then no Reserve Fund Credit shall be given. Notwithstanding the foregoing, the Reserve Fund Credit shall in no event be less than 0.
9. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Defeasance, and the Administrative Fee, less the Reserve Fund Credit.

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Annual Special Taxes that may be levied on Taxable Property, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year, as reasonably determined by the City.

SECTION F PARTIAL PREPAYMENT OF ANNUAL SPECIAL TAXES

The Annual Special Tax obligation of an Assessor's Parcel of Unmodified Property or an Assessor's Parcel of Modified Property may be partially prepaid at the times and under the conditions set forth in this section, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Annual Special Tax obligation would be prepaid.

1. Partial Prepayment Amount

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = P_G \times F$$

These terms have the following meanings:

- PP = the Partial Prepayment Amount
- P_G = the Prepayment Amount calculated according to Section E
- F = the percent by which the owner of the Assessor's Parcel is partially prepaying the Annual Special Tax obligation.

2. Partial Prepayment Procedures and Limitations

With respect to any Assessor's Parcel that is partially prepaid, the City shall indicate in the records of CFD No. 2002-A that there has been a partial prepayment of the Annual Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act within thirty (30) days of receipt of such partial prepayment of the Annual Special Tax obligation, to indicate the partial prepayment of the Annual Special Tax obligation and the partial release of the Annual Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such prepaid portion of the Annual Special Tax shall cease. Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Maximum Annual Special Taxes applicable to Taxable Property after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year.

**SECTION G
TERMINATION OF SPECIAL TAX**

Annual Special Taxes shall be levied for a period of twenty-five (25) Fiscal Years after Bonds have been issued, provided that Annual Special Taxes shall not be levied after Fiscal Year 2028-29.

**SECTION H
APPEALS**

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the City not later than twelve (12) months after having paid the first installment of the Special Tax that is disputed. A representative(s) of CFD No. 2002-A shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the representative's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s).

**SECTION I
MANNER OF COLLECTION**

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 2002-A may collect Annual Special Taxes at a different time or in a different manner if necessary to meet its financial obligations.

**SECTION J
EXEMPTION DUE TO PREPAYMENT**

The City shall not levy a Special Tax on an Assessor's Parcel that has prepaid its Annual Special Tax obligation in accordance with Section E.
