3. Special Tax Prepayment Procedures and Limitations

The amount representing the Present Value of Taxes attributable to the prepayment less the Reserve Fund Credit attributable to the prepayment shall, prior to the issuance of Bonds, be deposited into a separate account held with the School District on behalf of Improvement Area No. 2 of the District and disbursed in accordance with the Mitigation Agreement and after the issuance of Bonds be deposited into the applicable account or fund established under the trust agreement, indenture or fiscal agent agreement and used to pay debt service or redeem Bonds. The amount representing the Prepayment Administrative Fees attributable to the prepayment shall be retained and deposited into the applicable account by the District.

With respect to any Assessor's Parcel for which the Special Tax obligation is prepaid, the Board shall indicate in the records of the District that there has been a prepayment of the Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the prepayment of the Special Tax obligation and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Assigned Annual Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such prepayment net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

**SECTION H
PARTIAL PREPAYMENT OF ANNUAL SPECIAL TAXES**

1. Partial Prepayment Times and Conditions

The Special Tax obligation of Assessor's Parcels of Taxable Property may be partially prepaid, provided that there are no delinquent Special Taxes, penalties, or interest charges

outstanding with respect to such Assessor's Parcels at the time the Special Tax obligation would be partially prepaid. An owner of an Assessor's Parcel(s) intending to partially prepay the Special Tax obligation shall provide the District with written notice of its intent to partially prepay, including the percentage by which the owner of such Assessor's Parcel intends to prepay. Within thirty (30) days of receipt of such written notice, the Administrator shall determine the Partial Prepayment Amount of such Assessor's Parcel and shall notify such owner of such Partial Prepayment Amount.

2. Partial Prepayment Calculation

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = PVT \times F - RFC + PAF$$

The abbreviations above have the following meanings:

PP=		the Partial Prepayment Amount
PVT	=	Present Value of Taxes
F	=	the percent by which the owner of the Assessor's Parcel is partially prepaying the Special Tax obligation
RFC	=	Reserve Fund Credit
PAF	=	Prepayment Administrative Fees

3. Partial Prepayment Procedures and Limitations

The amount representing the Present Value of Taxes attributable to the prepayment less the Reserve Fund Credit attributable to the prepayment shall, prior to the issuance of Bonds, be deposited into a separate account held with the School District on behalf of Improvement Area No. 2 of the District and disbursed in accordance with the Mitigation Agreement and after the issuance of Bonds be deposited into the applicable account or fund established under the trust agreement, indenture agreement or fiscal agent agreement and used to pay debt service or redeem Bonds. The amount representing the Prepayment Administrative Fees attributable to the partial prepayment shall be retained and deposited into the applicable account by the District.

With respect to any Assessor's Parcel for which the Special Tax obligation is partially prepaid, the District shall indicate in the records of the District that there has been a partial prepayment of the Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the partial prepayment of the Special Tax obligation and the partial release of the Special Tax lien on such Assessor's Parcel, and the obligation

of such Assessor's Parcel to pay such prepaid portion of the Special Tax shall cease. Additionally, the notice shall indicate that the Assigned Annual Special Tax and the Backup Annual Special Tax if applicable for the Assessor's Parcel has been reduced by an amount equal to the percentage which was partially prepaid.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Assigned Annual Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such partial prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

Notwithstanding the above, the ability to partially prepay the Special Tax obligation of an Assessor's Parcel may be suspended, by the Administrator, acting in his or her absolute and sole discretion for and on behalf of the District, without notice to the owners of property within Improvement Area No. 2 of the District for a period of time, not to exceed sixty (60) days, prior to the scheduled issuance of Bonds by the District to assist in the efficient preparation of the required bond market disclosure.

SECTION I ANNUAL SPECIAL TAX REMAINDER

In any Fiscal Year which the Annual Special Tax collected from Developed Property exceeds the amount needed to make regularly scheduled annual interest and principal payments on outstanding Bonds and pay Administrative Expenses, the School District may use such amount for acquisition, construction or financing of facilities in accordance with the Mitigation Agreement and certain costs associated with the maintenance and operations of school facilities in accordance with the Act, the District proceedings and other applicable laws as determined by the Board.

SECTION J TERMINATION OF SPECIAL TAX

The Annual Special Tax shall be levied for thirty-five (35) Fiscal Years after the Bonds are issued but no later than Fiscal Year 2058/2059. However, the Special Tax may cease to be levied in an earlier Fiscal Year if the Board had determined (i) that all required interest and principal payments on the Bonds have been paid, (ii) all authorized facilities of the District have been acquired and all reimbursements have been paid, and (iii) all other obligations of the District have been satisfied.

SECTION K EXEMPTIONS

The Administrator shall classify Assessor's Parcels as Exempt Property in the chronological order in which each such Assessor Parcel becomes (i) owned by the State of California, federal or other local governments, (ii) used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) owned by a homeowners' association, (iv) burdened with a public or utility easements making impractical their utilization for other than the purposes set forth in the easement, or (v) any other Assessor's Parcels at the reasonable discretion of the Board, provided that no such classification would reduce the Net Taxable Acreage to be less than 18.95 ("Minimum Taxable Acreage").

Notwithstanding the above, the Administrator or Board shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property to be less than the Minimum Taxable Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to be less than the Minimum Taxable Acreage will be classified as Provisional Undeveloped Property and will continue to be subject to Special Taxes accordingly.

SECTION L APPEALS

Any property owner claiming that the amount or application of the Special Tax levied on his or her property is not correct may file a written notice of appeal with the Administrator to be received by the Administrator not later than 1 year after having paid the first installment of the Special Tax that is disputed. The reissuance or cancellation of a building permit is not an eligible reason for appeal. In order to be considered sufficient, any notice of appeal must (i) specifically identify the property by address and Assessor's Parcel Number, (ii) state the amount in dispute and whether it is the whole amount or only a portion of the Special Tax, (iii) state all grounds on which the property owner is disputing the amount or application of the Special Tax, including a reasonably detailed explanation as to why the amount or application of such Special Tax is incorrect, (iv) include all documentation, if any, in support of the claim, and (v) be verified under penalty of perjury by the person who paid the Special Tax or his or her guardian, executor or administrator. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Administrator's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s) or an adjustment shall be made for the amount due for any prior Fiscal Year as the Administrator's decision shall indicate.

SECTION M
MANNER OF COLLECTION

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the District may directly bill all or a portion of the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of ten percent (10%) of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until such Special Taxes are paid.
