PVT	=	Present Value of Taxes
RFC	=	Reserve Fund Credit
PAF	=	Prepayment Administrative Fees

3. Special Tax Prepayment Procedures and Limitations

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Assigned Annual Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such prepayment net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such prepayment will not impair the security of all then-currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

**SECTION H
PARTIAL PREPAYMENT OF ANNUAL SPECIAL TAXES**

1. Partial Prepayment Terms and Conditions

The Annual Special Tax obligation of Assessor's Parcels of Taxable Property may be partially prepaid in increments of ten (10) units, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcels at the time the Annual Special Tax obligation would be partially prepaid. PP	=	the Partial Prepayment Amount
PVT	=	Present Value of Taxes
F	=	the percent by which the owner of the Assessor's Parcel is partially prepaying the Annual Special Tax obligation

The amount representing the Prepayment Administrative Fees attributable to the prepayment shall be retained and deposited into the applicable account by the District.

Additionally, the notice shall indicate that the Assigned Annual Special Tax and the Backup Annual Special Tax, if applicable, for the Assessor's Parcel has been reduced by an amount equal to the percentage which was partially prepaid.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Annual Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such partial prepayment, net of Administrative

Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such partial prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

Notwithstanding the above, the ability to prepay the Annual Special Tax obligation of an Assessor's Parcel may be suspended, by the Administrator, acting in his or her absolute and sole discretion for and on behalf of the District, without notice to the owners of property within the District for a period of time, not to exceed sixty (60) days, prior to the scheduled issuance of Bonds by the District to assist in the efficient preparation of the required bond market disclosure.

SECTION I ANNUAL SPECIAL TAX REMAINDER

In any Fiscal Year which the Annual Special Taxes collected from Developed Property exceeds the amount needed to make regularly scheduled annual interest and principal payments on outstanding Bonds and pay Administrative Expenses, the School District may use such amount for acquisition, construction or financing of facilities in accordance with the terms of the Mitigation Agreement and to pay certain costs associated with the maintenance and operations of School District school facilities in accordance with the Act, the District proceedings and other applicable laws as determined by the Board.

SECTION J TERMINATION OF SPECIAL TAX

The Annual Special Tax shall be levied for a term of five (5) Fiscal Years after the final maturity of the last series of Bonds, provided that the Annual Special Tax shall not be levied later than Fiscal Year 2061/2062. However, notwithstanding the foregoing sentence, the Special Tax may cease to be levied in an earlier Fiscal Year if the Board has determined (i) that all required interest and principal payments on the Bonds have been paid, (ii) all authorized facilities of the District have been acquired and all reimbursements have been paid, and (iii) all other obligations of the District have been satisfied.

SECTION K EXEMPTIONS

The Administrator shall classify as Exempt Property in the chronological order in which each Assessor Parcel becomes (i) owned by the State of California, federal or other local governments, (ii) used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) owned by a homeowners' association, (iv) burdened with a public or utility easements making impractical their utilization for other than the purposes set forth in the easement, or (v) any other Assessor's Parcels at the reasonable

discretion of the Board, provided that no such classification would reduce the Net Taxable Acreage to less than 13.34 ("Minimum Taxable Acreage").

Notwithstanding the above, the Administrator or Board shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property to less than the Minimum Taxable Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to less than the Minimum Taxable Acreage will be classified as Provisional Undeveloped Property and will continue to be subject to Special Taxes accordingly.

SECTION L APPEALS

Any property owner claiming that the amount or application of the Special Tax levied on his or her property is not correct may file a written notice of appeal with the Administrator which appeal must be received by the Administrator not later than six (6) months after having paid the first installment of the Special Tax that is disputed. The reissuance or cancellation of a building permit is not an eligible reason for appeal. In order to be considered sufficient, any notice of appeal must (i) specifically identify the property by address and Assessor's Parcel Number, (ii) state the amount in dispute and whether such appeal affects the whole amount or only a portion of the Special Tax, (iii) state all grounds on which the property owner is disputing the amount or application of the Special Tax, including a reasonably detailed explanation as to why the amount or application of such Special Tax is incorrect, (iv) include all documentation, if any, in support of the claim, and (v) be verified under penalty of perjury by the person who paid the Special Tax or his or her guardian, executor or administrator. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the representative's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s) as the representative's decision shall indicate.

SECTION M MANNER OF COLLECTION

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the District may directly bill all or a portion of the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of ten percent (10%) of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1st after the delinquency date and the first of each month thereafter until such Special Taxes are paid.
